

PATHFINDERS

Financial Coaching

Eliminating poverty from our community by empowering individuals and families to find their path to social and financial well-being

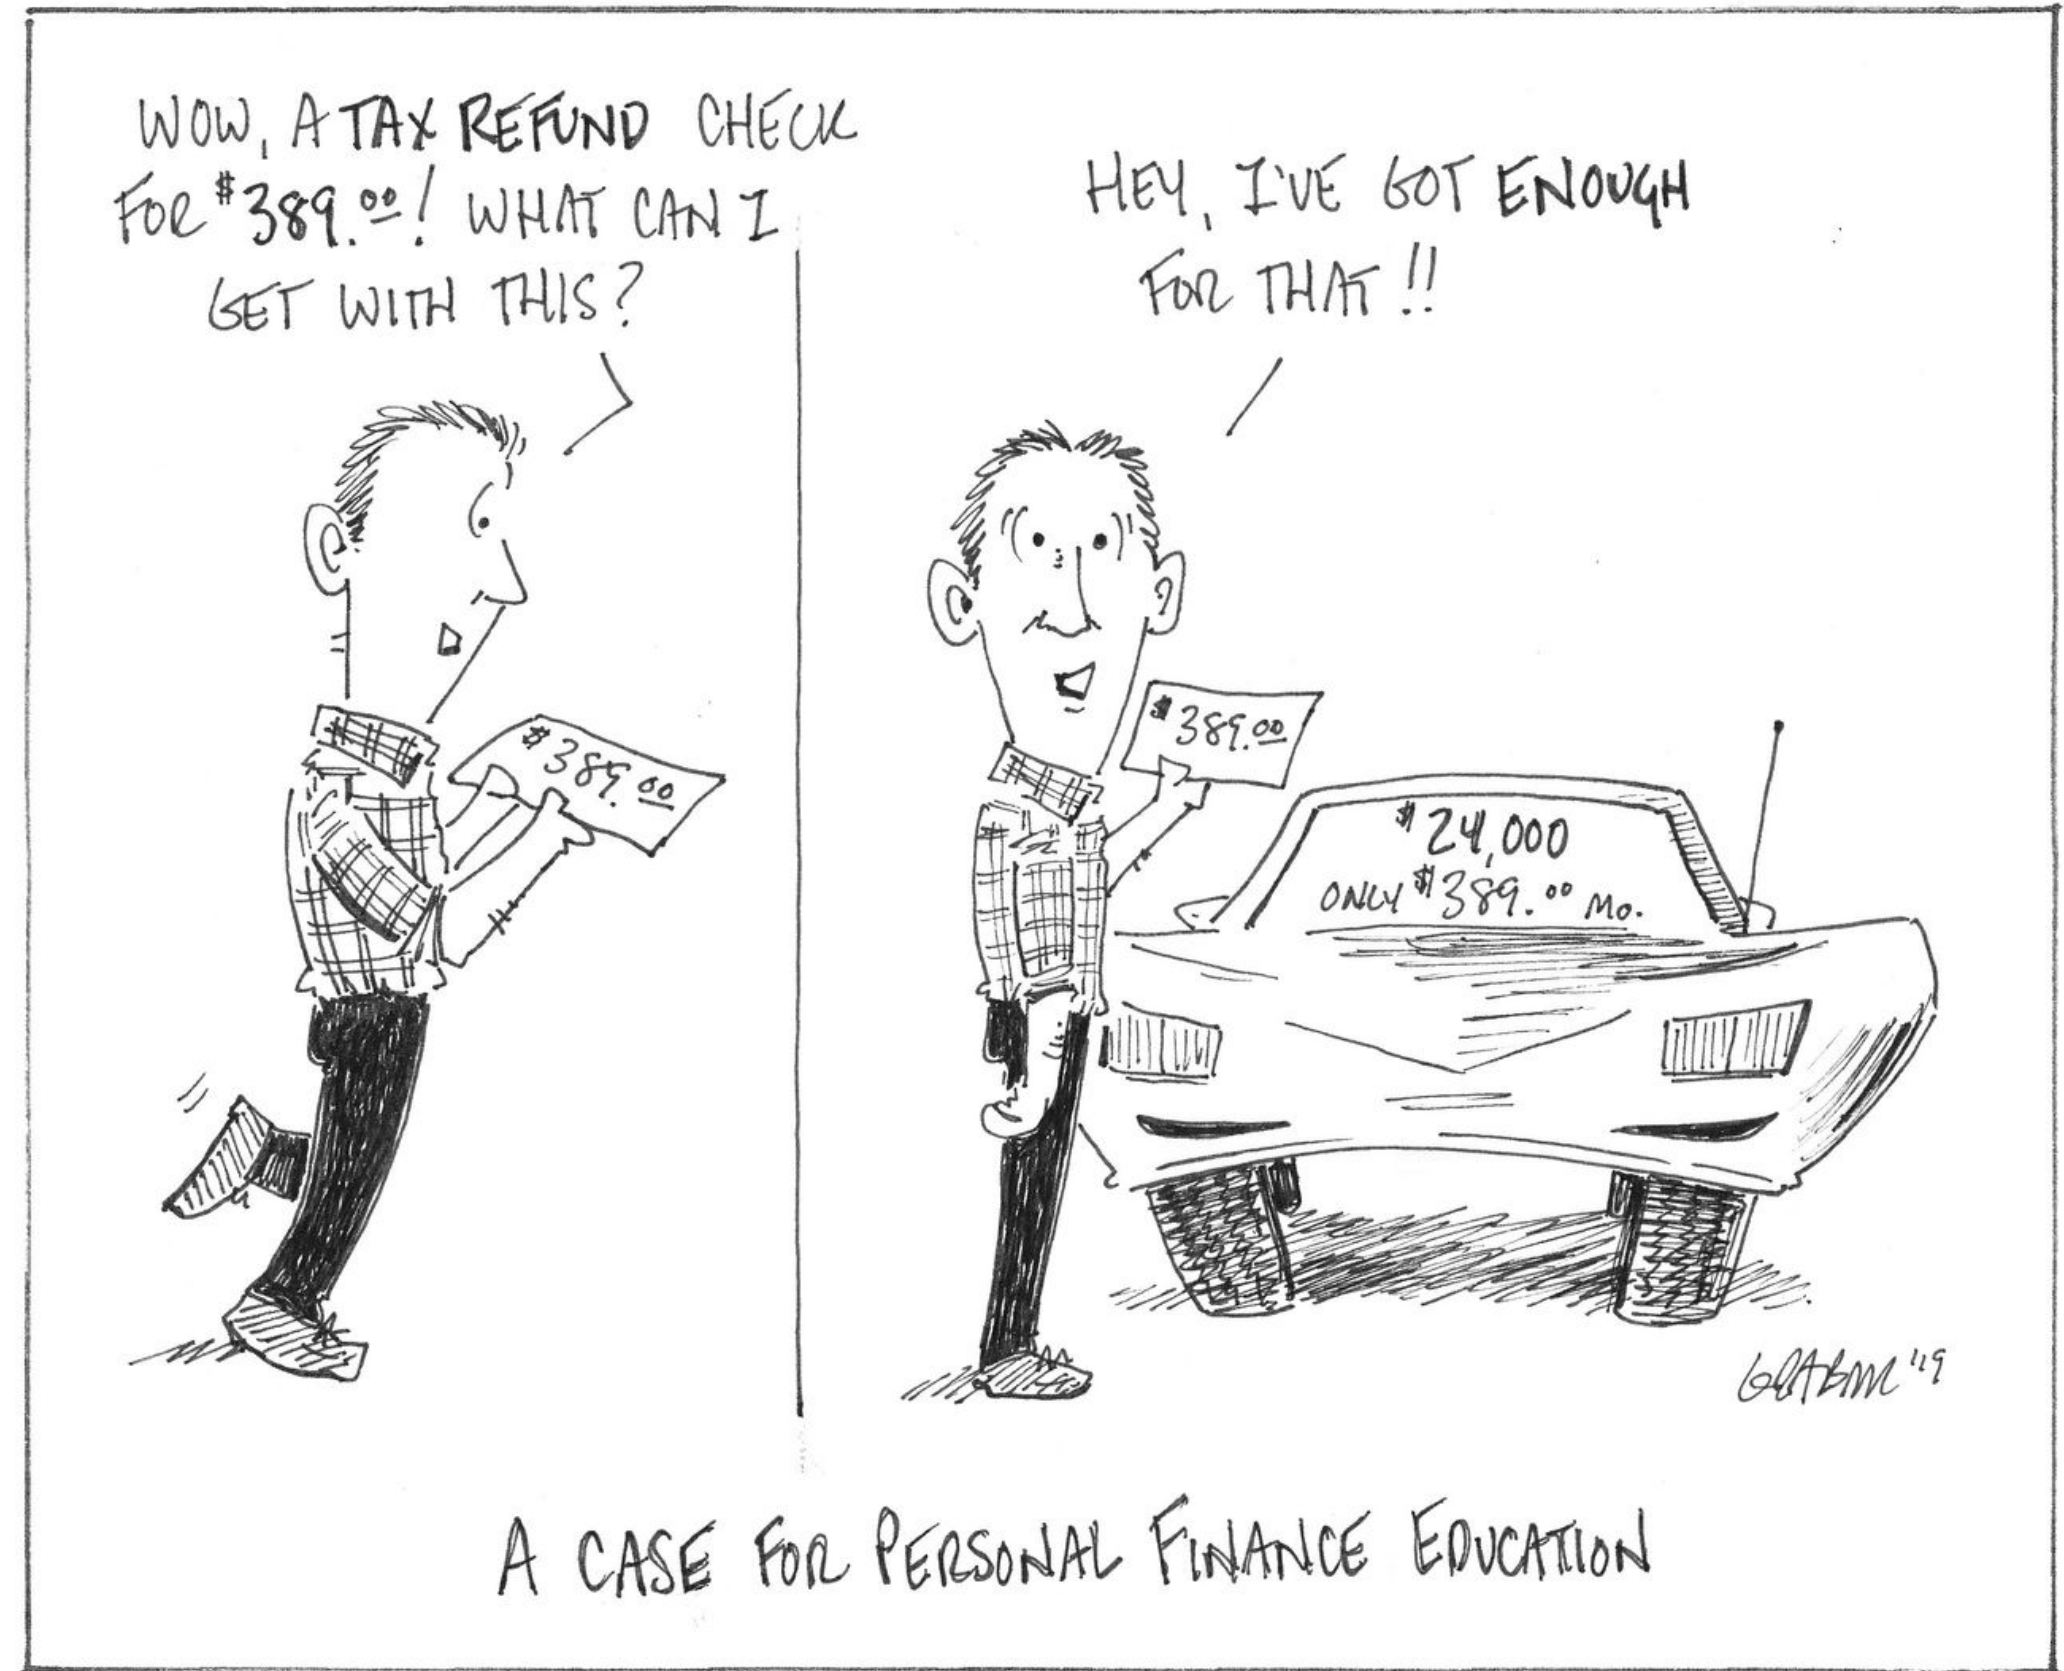

Financial Freedom Journey

includes group coaching sessions, one-on-one coaching sessions, and asset and credit building products.

Budgeting

Too much month at the end of your money?

Budgeting will help you keep more money in your pocket.

Banking

Are you keeping your money hidden away at home?

Learn which **banking** products can help you.

Borrowing

Are you taking out loans with no way to pay them back?

Responsible **borrowing** can help you become a savvy consumer.

Credit

Tired of paying high interest on your purchases?

Building your **credit** score will save you money.

Savings Match

2.4 million North Texans can't afford an unexpected expense of \$400!

If you save \$200, we'll match that with \$200 to help you have an emergency savings account for a rainy day.

Small Dollar Credit Building Product

Having a poor credit score costs you money!

Using our credit building product, you'll improve your credit score and gain access to lower rates and prices.

Individual Coaching

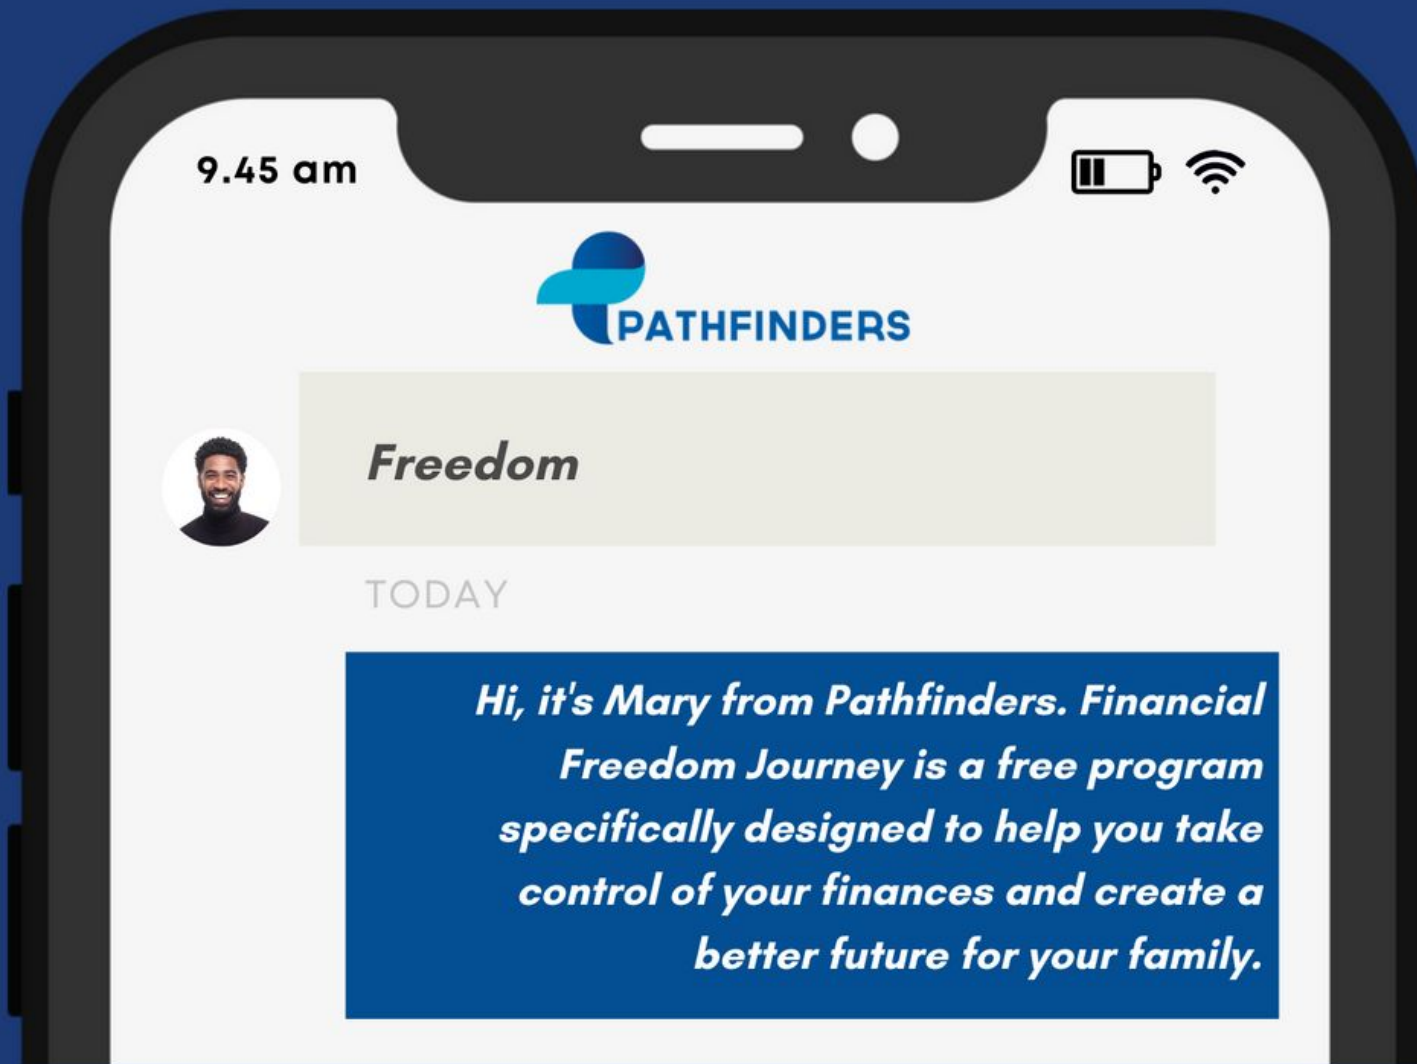

Individual coaching sessions can be in-person or virtual to work one-on-one on achieving personal financial goals.

Are you tired of saying *no* to your child because you can't afford to say *yes*?

Text **Freedom** to **817-502-3024** to start your Financial Freedom Journey TODAY!

Text the word *Freedom* to 817-502-3024 for English services or *Libertad* for Spanish services.

This will start a text chain that leads you to learn more and enroll in a scheduled series.
