Good Apple Honoree
Stephanie Zapata Moore

Texas Appleseed is proud to recognize Stephanie Zapata Moore as the 2026 Good Apple at our upcoming event in Austin. Based in Dallas, Stephanie serves as executive vice president, general counsel, and chief compliance officer at Vistra Corp., where she oversees the company's legal, compliance, corporate governance, and Environment, Health, and Safety functions and serves as a trusted advisor to the company's leadership team and the board of directors.

In addition to her responsibilities at Vistra, Stephanie is deeply committed to empowering underserved girls in her community. She served as a director of Girls Inc. of Metropolitan Dallas (GIMD), an affiliate of a national organization providing leadership skills training and educational support to girls ages 6 to 18 to equip them for long-term success, for 10 years including two as Chair. She continues to serve as a director on the GIMD Foundation board.

Raised by Mexican American parents who greatly valued education, Stephanie is committed to opening doors for other Hispanic lawyers to succeed. She serves on the Advisory Council of PODER25™, a program of the Hispanic National Bar Association whose mission is to increase the number of Hispanic attorneys occupying senior positions in Fortune 500 corporate legal departments. In 2019, she was the Honorary Chair of the Dallas Bar Association's Equal Access to Justice Campaign, which raises funds to support the Dallas Volunteer Attorney Program. She has also served as an Honorary Co-Chair of the Dallas Hispanic Law Foundation's Amanecer Luncheon, the primary annual fundraiser for scholarships, grants, and internships to support Hispanic students in the study of law, and as a member of the board of directors of AVANCE-Dallas, Inc., which works toward social and economic justice for children and families.

For her outstanding leadership and service to her community, Texas Appleseed is honored to present Stephanie with the 2026 J. Chrys Dougherty Good Apple Award on November 18.

Pro Bono Leadership Award Recipient

SUSMAN GODFREY

Texas Appleseed is pleased to present the 2026 Pro Bono Leadership Award to Susman Godfrey, whose team has been instrumental in pursuing justice for a family harmed by racial discrimination and harassment and First Amendment retaliation at their local school. Their compassion for this family and commitment to justice are evidenced by the depth and detail of the work they contributed. They actively examined and assessed potential claims; were thoughtful in capturing the accounts of the younger family members; conducted extensive research to identify opportunities for relief in an incredibly complex case; and were able to obtain relief for the father on his most immediate concern shortly after filing a lawsuit on his behalf. Susman Godfrey's pro bono support empowered Texas Appleseed to take on a case that would have been impossible with our resources alone and gave a voice to a family who otherwise wouldn't have had one.

MISSION

Texas Appleseed promotes social, economic, and racial justice for all Texans by leveraging the skills and resources of volunteer lawyers, other professionals, and community partners to identify practical solutions to difficult, systemic problems.

ABOUT US

Founded in 1996, Texas Appleseed is a justice-driven nonpartisan nonprofit working at the intersection of policy, advocacy, and the law to improve the lives of Texans. We serve as a trusted source for data-centric policy analysis across the state. As a leading voice for systemic and social change that strives for equitable and strong communities, our work has shaped hundreds of state and local policies and impacted millions of Texans.

ABOUT THE EVENT

The Good Apple Dinner is Texas Appleseed's signature fundraising event, where we celebrate those who have made Texas a better, more just place and secure indispensable support for our work to achieve positive policy change in Texas. Each year, our Board of Directors presents the J. Chrys Dougherty Good Apple Award, our highest honor, to individuals whose work has left a lasting, positive impact on Texas. Past honorees include remarkable leaders like Charles Butt, Chief Justice Wallace B. Jefferson, Harriet Miers, and most recently, Travis Torrence.

We also recognize extraordinary pro bono contributions through our Pro Bono Leadership Award, given to individuals and firms who have stepped up to support Texas Appleseed's work on critical issues.

This event brings together a distinguished group of leaders from across Texas: attorneys, judges, public officials, university and corporate leaders, and many other committed individuals. We are grateful to our supporters for their continued pursuit of justice.
